Assemblers

Tel-Tru Manufacturing, a leader in the bi-metal thermometer industry, is adding to their A Shift Assembly team. Assemblers are responsible for fulfilling specific customer requirements for the assembly of different types and sizes of thermometers with accuracy. While Assemblers work in teams, and individually depending on the product and/or digital device. This is an entry level position, offering the opportunity to learn the bi-metal thermometer industry. Qualified candidates must have a good work history, prior Assembly experience and excellent work ethic.

Responsibilities:

- Assembly and packing of various size bi-metal thermometers, fitting and/or adjustment of various size interrelated parts
- Adjustment and repair of subassemblies
- Suggest changes/improvements for continuous improvement
- Read and understand required work instructions and inspection plan for assigned job

Qualifications:

- Must have high school diploma or equivalent
- Prior assembly experience, minimum of 2 years preferred
- Ability to complete tasks ahead of schedule
- Excellent manual dexterity
- Prior experience working with hand tools and mechanical fixtures
- Must be able to stand for long periods of time
